

How can I make the most out of Open House?

Welcome! Thank you for joining us today at NCC's Bethlehem Campus Open House! Here are some pointers to help you enjoy the experience.

Our schedule lists all times and locations of presentations and sessions. Most sessions are not mandatory, but we encourage you to attend as many as you can.

Quick Tips:

- After the president's welcome and student panel, the event is a true Open House! You may choose any sessions that interest you.
- The Conversations with the Deans are a great way to learn about your area of study and how you might use this to transfer from NCC or move into a great career.
- Our faculty members are here to answer your questions about your major! Professors will give one formal presentation and then be open for informal discussions for the duration of the event. (If a faculty member is not available for your intended major, the Dean will be happy to answer your questions.)
- Admissions staff are here to help you! Stop by the **Admissions Table** in the **Student Resource Fair** (located in **Laub Lounge**).
